Okay great! Thank you Leslie. If I need to, I can go into the office on Tuesday if Candace or Cat can't get to it.

David - I'll start drafting an email to the Seneca Nation for Roulette as well as two for Catalyst and Bull Run to put in the concurrence package. I'll also draft one for the seven tribes for the HRSD permit.

Great – we need to get Diana set up first. Please draft an email that she can send out and include all recipients and cc's – you can put yourselves on there too.

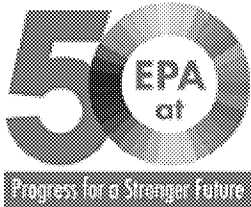

Kevin – we should have someone in the office on Tues/Wed of next week that can mail out (Candace Holmes or Cat).

Leslie

Is this going out snail mail in the post? If it's going in actual mail – no worries.

Just need to check – if it's going out in email, we need to make sure that it is coming from the RA's level....

Also – we need to send courtesy copies to OCTEA and anyone else who may need a copy.

Please let me know how this is going out.

Thanks,

Leslie

Hi Leslie,

Attached is the signed Seneca Nation letter. Diana made some minor language and format changes prior to signing. Will you/WD be sending this along to the recipient and to the appropriate cc's?

Thanks,
